

ROTOMOD DISCO+

Description:

The Rotomod Disco is a kayak that closely resembles touring kayaks. It is a lightweight kayak, thanks to its design and features, combining the advantages of a sit-on-top with those of a touring kayak. There is no faster sit-on-top kayak in its range. It offers excellent handling and performance in rough seas.

Technical specifications:

Length: 428 cm

Width: 65 cm

Weight: 23 kg

Capacity: 120 kg (1 seat)

ROTOMOD OCEAN DUO

Description:

A benchmark among sit-on-tops, the Ocean Duo is the most versatile kayak available. Sit-on-top, robust, practical, and comfortable. Ideal for sea trips and highly stable, making capsizing very difficult.

Technical specifications:

Length: 370 cm

Width: 88 cm

Weight: 29 kg

Capacity: 220 kg (2 seats)
